
2. Enter “ACCUPLACER” in the search bar and submit your search.

3. Select one of the practice tests displayed.

4. Log in to your account. If you do not have an account:
   - Select the Sign In/Register link, then select Register.
   - Enter the required information and select Register.

   *The last two lines on the account form ARE NOT required. Leave blank. Student ID # and Course Section # do not apply to CGTC.

5. Select Start Test to take a test. Tests may be taken as many times as desired.

6. To view previous tests taken, select your username from the top horizontal menu, then select My Center.
